

**Have you had a great 2009?  
Do you want to Get More from 2010?**

**Want some short cuts or help to make that happen?**

It is time to ensure 2010 is not just full of plans that never quite make it. Let's make sure that you not only SET some goals and targets for 2010 but actually GET them as well! Imagine yourself and your business if you were to Get Planning, Get Acting and ultimately Get More from 2010. I was discussing this with some clients and they said that a short session to help them focus on the year would be just what they needed – so here it is.

In this session you will walk away with:

- Your Key Goals for 2010
- Methods to ensure you stay on track once the excitement dies down
- Tools to maintain your motivation throughout the year
- Prioritisation techniques to ensure you focus on what is important not just urgent
- Easy to implement systems to guarantee success

This session will be run at the Novotel Glen Waverley 285 Springvale Road Glen Waverley on Thursday 21st Jan 2010. It commences at 9.00am and will finish at 12:30pm. Free parking is available close to the venue and morning tea will be provided.

To ensure your results ongoing success for 2010, I wanted to provide resources and motivation beyond a single session. So here is the Get More from 2010 package:

	<b>Value</b>
3 hour Get More from 2010 intensive workshop	\$249
Get More Energy CD to build sustainable energy	\$35
Get More from 2010 eCourse to guarantee your goals	\$299
Total Value	<b>\$583</b>

My Christmas gift to you (whether you celebrate it or not) is to offer this entire package for a low: **\$159**

**You save \$424!**

This is a limited offer as a maximum of 20 people will be on the workshop. Don't miss out! Book now by completing the form below and faxing it to 03 8640 0698

Yes Warwick, I want to take advantage of your **\$159** offer to **Get More** from 2010.
